## Inauguration of School at Arka Dhama

Arka Dhama, Bogadi-Gaddige Road, Kanniyahundi Gate, Madahalli  
Mysore-570026, Karnataka, India

**Arka Dhama** is known for the harmonious chirping sounds of different kinds of birds that have chosen their abode in the naturally growing plants and trees. Now one can hear the sweet sounds and chatter of little students as well, with the launching of the primary section of **Arka Maha Vidyalaya**, which is an added glory to **Arka Dhama**.

On **Thursday 19th May 2022 at 10 AM**, the inaugural function of **Arka Maha Vidyalaya** school was celebrated, with the grace of **Sree Arka Mahaganapathy** and guidance of **Yogi Srinivas Arka**. An auspicious pooja was organized to offer obeisance to **Sree Arka Mahaganapathy**, remover of all obstacles and bestower of wellbeing, **Sree Saraswathi**, goddess of knowledge and learning, and **Yogi Srinivas Arka**, founder of the school. Little students of the newly started Pre-KG, LKG and UKG classes happily participated and were taught *Guru Mantra* signifying the commencement of teaching. The event concluded with distribution of *Prasada* to everyone present. **Mr Venkatesh** and **Mr Chethan** will be looking after school's affairs with wide knowledge and experience in the field of education.

**Yogi Arka's** wish is to impart modern education as well as knowledge of Sanskrit, music and fine arts to students of this school in the form of *Gurukula* system along with Indian tradition and culture.
